

Parkhouse Bell promotes Matt Wells to position of CEO

1st June 2016

Parkhouse Bell, the international recruitment agency specialising in the Employment, Education and Health sectors is delighted to announce that Matt Wells has been promoted to the position of CEO.

Matt joined Parkhouse Bell in 2015 as their UK Managing Director and part-owner, after a successful career in the global employment and related services market. He had previously worked in senior business development and operational roles covering Australia, the UK, Europe and the Middle East.

Matt replaces Helen McAnally as CEO, who is remaining in the business as the majority shareholder and head of Parkhouse Bell's global Executive Search and Senior Appointments division.

Helen commented, "Matt's promotion to CEO is a logical step for both him and the business, and we are delighted he is stepping into the role. Matt brings considerable senior business experience from a wide range of organisations, along with impressive sales and business growth credentials. He has made an immediate, positive impact on our global operations, and the business is in the right hands for the next phase of its growth."

Matt said "I am delighted and honoured to accept the CEO role with Parkhouse Bell. It's a great values-driven business, with the team all strongly focused on providing exceptional customer service for our clients and candidates. I'm thrilled to be leading Parkhouse Bell and very excited by our growth potential across the UK, Middle East and Australia."
